# HReasily

Payroll Software, HR Made Easily

A cloud-based HR software that specialises in payroll, leave, claims and time attendance management. It is the perfect tool that optimises Human Resource processes for small businesses.

Up to 70% subsidy through PSG Grant

Automated Payslips

Automatically calculates CPF, SDL, CDAC, MBMF, SINDA contributions for submission to CPF Board

Compliance with MOM

Statutory requirements, such as itemised payslips and varying CPF contribution rates, are strictly adhered to

Automated Backups

All data are backed up on a daily basis and securely protected across multiple servers

Mobile App

With the availability of a mobile app, employees can conveniently apply leave, submit claims and check their payslips on the go!

Case Example

Smart Pte Ltd received approval for their PSG application to implement a HR system. The package price is $2,200. With PSG funding of 70%, Smart Pte Ltd only has to bear $660 for a full HR system that is worth more than $2,000!

Package Price For HR System of 20 Employees *(12 month subscription, onboarding, setup, personalised training, & support)*	$ 2,200.00
Less 70% funding from PSG	$ (1,540.00)
Nett Amount	$ 660.00
