

PAYDAY!® Payroll Management Software

Our payroll software simplifies payroll processing for business owners, accountants and office administrators. You don't need any specialised payroll or labour employment law knowledge to operate our payroll software.

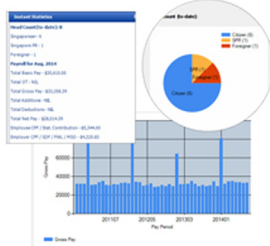

Software Features

Helpful Payroll Dashboard

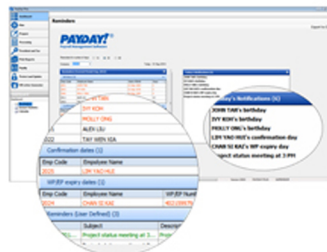

Payroll & Headcount Statistics

Presents important statistics on salary and headcount at a glance.

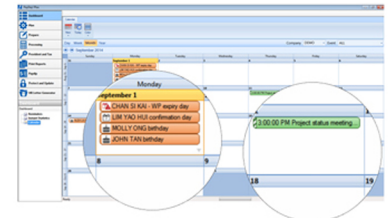

Customisable Reminders

Helps you to keep track on important dates such as expiry dates of work permits, confirmation dates, birthdays and many more.

Customisable Calendar

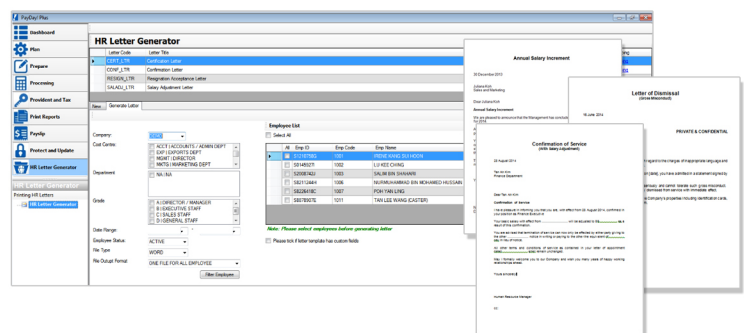

To lock in all the important dates you need to remember for the year such as pay dates, deadline for payments, public holidays and many more.

Leave Entry

Convenient HR Letter Generator

You simply define the letter template once such as Confirmation Letter, Promotion Letter or Warning Letter. The software will generate letter as defined for one employee or a batch of employees.

"PayDay! Payroll Management Software and PayrollServe's professional customer support team have made running my payroll and HR processes much easier and more convenient. We now have more time to focus more on our restaurants."

Alvin Lee, Director
The Orange Lantern
(69 employees)
Industry: F&B

Shirley Soh, Payroll Officer
Falcon Energy Group Limited
(17 employees)
Industry: Oil and Gas

With PayDay!, I can run payroll in a matter of seconds and be confident that we stay fully compliant with CPF and IRAS regulations.

Frankie Ho Shien Fong, Director
Lex Travel Pte Ltd
(90 employees)
Industry: Tourism

新加坡信合旅游有限公司

PayDay! has streamlined our payroll process to give us maximum cost and time savings. It's amazing that what used to take half a day to complete can now be accomplished in mere seconds.
