Being the first pre-approved vendor for Xero under the IMDA SMEs Go Digital Programme, we have assisted more than 2,000 customers since 2008.

Supported by:

**SMEs GO DIGITAL**

In support of:

## Productivity Solutions Grant (PSG) for Xero

You can get up to 70% funding support when you apply for PSG and adopt Xero through us. The eligibility criteria are:

- Registered and operating in Singapore
- Have at least 30% local shareholding

## Once-off \$10,000 SkillsFuture Enterprise Credit (SFEC) Credit

1. Develop Capabilities (Enterprise transformation)
2. Boost worker's skills (Workforce transformation)

Credit can be used to defray up to 90% of out-of-pocket expenses

## Case Illustration

Smart Pte Ltd received approval for their PSG application to implement an accounting system. The package price is \$5,527. After getting 70% funding from PSG, Smart Pte Ltd can still further claim up to 90% of the balance unfunded cost through SFEC. With both the subsidies, Smart Pte Ltd bears only \$165.81 for a full cloud accounting system worth over \$5,500!

Package Price for Accounting System <i>(12 mth subscription, onboarding, setup, personalised training &amp; support)</i>	\$ 5,527.00
Less 70% funding from PSG	\$ (3,868.90)
Balance unfunded	\$ 1,658.10
Less 90% funding from SFEC	\$ (1,492.29)
<b>Nett Amount</b>	<b>\$ 165.81</b>
